The French Republic

FRANCE AND GERMANY, IN THE NAME OF JUSTICE, TO WITHDRAW HER ARMS.

The Last Man and the Last Dollar to Resist the Invaders.

PARIS, Sept. 6.—The International Workingmen's Association has issued the following manifesto, addressed to the German Socialist Democracy:

"Brothers: The Prussian government at the brink of the campaign, declared that it waged war against the Emperor, and not against the people of France. Republican France invites Germany in the name of justice to withdraw her armies from the soil of France. If not, France must fight to the last man and shed their blood and ours.

"As soon as the Rhine is recrossed we shall stretch forth our hands to you, and forget our mutual crimes, which deeply divide us.

PARIS, Sept. 6.—The journals official publishes the following proclamation:

"To the army: When a general compromises his command he is believed; when a government puts in peril, by its own wickedness, the public safety, it is set aside. This is just what France is doing in abolishing the dynasty which is responsible for all our misfortunes. She has done boldly, in the face of all the world, this great act of justice. She executes the decree under which all your concepts have been summoned, and, to the same act, secures the public safety.

"Really, and that glorious day which eight years ago drove back all Europe united before us. To-day, as at that time, the name of the republic signifies the intimate union of the army and the people for the defense of the country. Signed by the committee.

"To save itself, the nation needs now but to rise en masse and henceforth to count on two things only—its own resolution, which is invincible, and your heroism, which has never had an equal, and which, in the midst of unnumbered reverses, has astonished the world.

HAIR RESTORATIVE.
NEW DISCOVERY!
PHALON'S "VITALIA;"
OR,
Salvation for the Hair.

For Restoring to Gray Hair its Original Color.

PHALON'S "VITALIA" differs utterly from all the "dyes," "colorers," and "restorers" (V) in use. It acts on a totally different principle. It is limpid, fragrant, and perfectly innocuous, precipitates no muddy or flocculent matter, requires no shaving up, and communicates no stain to the skin or the linen. No paper curtain is necessary to conceal its turbid appearance, for the simple reason that it is not turbid. It is, to all intents and purposes, a NEW DISCOVERY in Toilet Chemistry.

PHALON'S "VITALIA" is warranted to effect a change in the color of the hair within 10 days after the first application, the direction being carefully observed.

IT IS AS CLEAR AS WATER!
AND HAS NO MEDICINE.

Price, One Dollar per Box.

SOLD BY ALL DRUGGISTS.

If your Druggist has not "Vitalia" on hand, write, enclosing \$1.00, and we will forward it immediately.
